SUBJECT: Additional Personnel for WDC Publication Section
TO : Personnel Officer, WDC
1. Publication Section now has assigned personnel numbering of a total T/O varying
2. It is presumed that early efforts will be made to fill the entire WDC T/O with additional civilian personnel.
3. Assignment of Publication Section personnel at present:
typists draftsmen proofreaders reproduction assistants administrative assistant (also acts as proofreader and typist) section chief
4. Inspection of Publication Section by on 18 Dec 1946 and subsequent conference concerning this section's work resulted as follows:
a. Important future publications may warrant straight lithograph reproduction throughout with better than customary covers and binding.
This would require that all text material be varityped rather than stenciled.
b. Publication Section now has one (1) varitypist.
5. In view of the above, it is recommended upon advice of that:
a. Varitypists (who are also straight typists) be requisitioned among those required for Fublication Section in filling the $T/0$.
b. That personnel now in Publication Section, and who will be retained permanently either as enlisted women or
